

Bathing

The cloth is provided at the entrance to all of our public bathrooms to ensure privacy. If the cloth is color of orange that bathroom is for ladies. If it is green, that is for gentlemen.

Please take off your shoes or slippers when you enter the bathroom.

When you step on to the bathroom area, you will find your self in a dressing room in which the walls are lined with shelves and straw baskets. Place your clothing in a basket. It is best not to bring any valuables with you when you bathe.

- 1) Since the bath is used in common by all, it is customary to rinse with warm water before entering. Wooden buckets are provided for this. Please do not bring place these directly into the bath.
- 2) After rinsing yourself thoroughly to remove all soap, you may enter the bath. As the water is usually quite hot it is a good idea to enter gradually.
- 3) Please do not rinse your towel in the bathing water. We would like to ask you to follow the traditional bathing customs because the bath is used by all guests.
- 4) Please keep the bath and bathing area clean while you are using it and to make sure it is clean when you leave.
